

A NEW ERA IN SUCTION CLEANING

AstralPool S10 Mechanical Suction Cleaner

Providing an exceptional cleaning experience, the Astralpool S10 mechanical suction cleaner continuously delivers strong suction power to scrub and remove algae and fine particles.

The S10's tyres allow for incredible maneuverability on all pool surfaces, climbing up walls and cleaning around tight corners. Additional Smart navigation technology allows the S10 to provide complete pool coverage, ensuring no areas are missed.

Powerful Suction

Dual Scrubbers

360 Degree Rotation

Small & Medium Debris

Wall Climbing
